On match nights refreshments are served after the first two triples have been played.

Winslow also play in a cup competition, "John Robinson Memorial Cup". The format for this is singles 4 woods 2games) Pairs 3 Woods(2 games) and Triples (2 games). Twelve names are drawn out on the night in the order that the games are played. Refresehments are served after the Pairs have completed their games.

It is an enjoyable way in which to spend a couple of winter evenings and enjoy good company. There is a chance to take part in and internal Club competition and the odd external friendly. Some club members play for the County team and if you are interested more players are always welcome.

If you are worried about travelling to away venues, we can arrange transport and usually double up so that the minimum number of cars is needed.

Why not come along and have a go. Guidance as to the rules and coaching will be given.

Everyone is welcome. We look forward to meeting you.
